

Bring Your Experience, Stay for the Opportunities

Join an innovative \$110 billion industry.

Summit is more than just an electrical distributor. We're a family of value-driven associates who make a difference every day, delivering equipment and materials that power our lives. So, whether you're just starting in the industry or looking for a new challenge, you won't just have a job at Summit – you'll have a career you can be proud of.

To maintain our industry leadership position, Summit recruits the best – then invests in their future. We reward hard work, encourage professional development, and value initiative. Our training and mentorship programs are some of the best in the business – so you can get up to speed quickly and play a meaningful role soon after onboarding.

If you're looking for a great future, it starts right here.

Typical Career Path:

Careers at Summit can start at many positions. And we've found that associates who spend a good portion of their time in different but critical roles are happier and more engaged.

Our Next Great Story Could be Yours

Summit has a stringent hiring process and exacting business standards because we want every associate to exemplify the values that propelled a once small, privately held New Mexican company with five employees to one of the nation's largest electrical distributors. Today, Summit is a \$800+ million company with locations in 22 U.S. cities, four industry-focused divisions, and customers worldwide.

Our commitment to your success comes with comprehensive benefits, including profit sharing, a 401(k), plus medical, dental, vision, basic life, and long-term disability insurance. Summit also provides for paid vacation, personal leave, and holidays.

EOE, including disability/vets.
